

APRENDER NADAR A ESPALDA

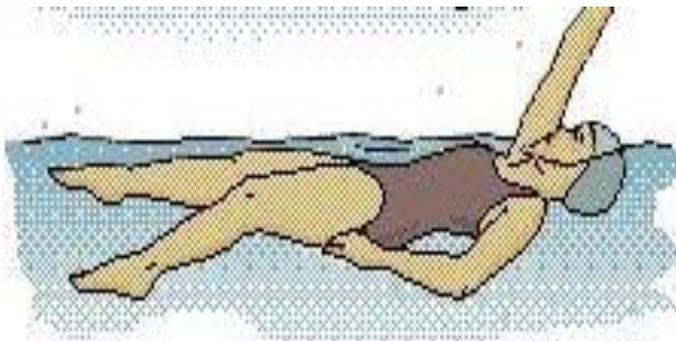

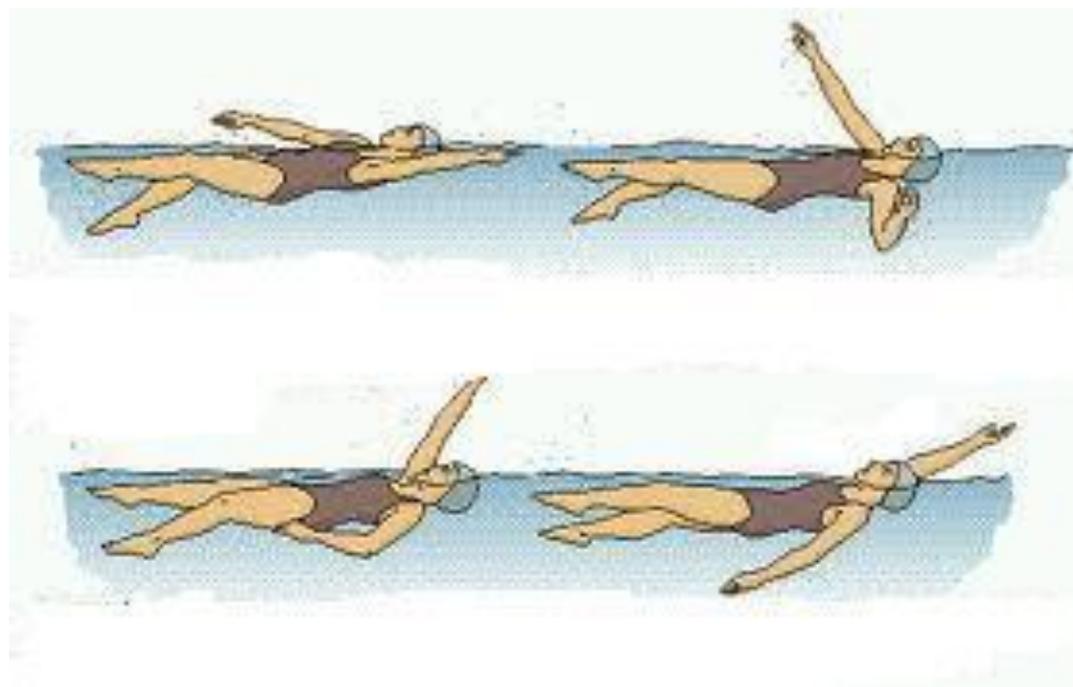

ME TUMBO EN EL AGUA DE ESPALDAS MIRANDO AL TECHO

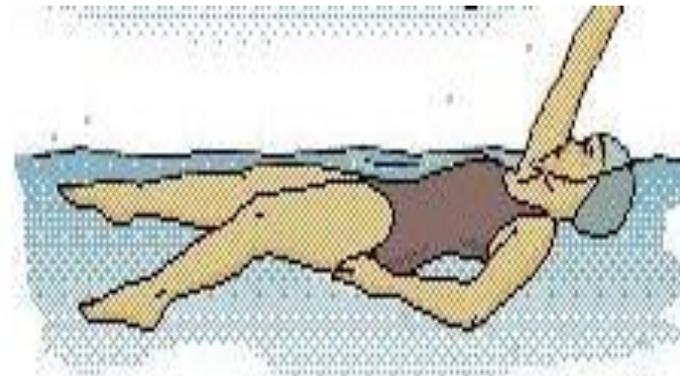

SACO LA TRIPA Y LE DOY A LOS PIES

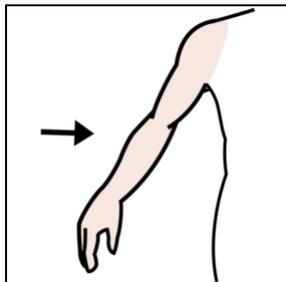

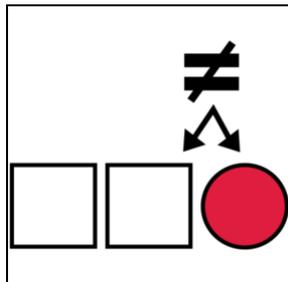

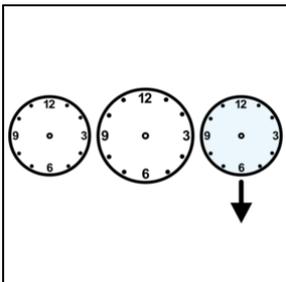

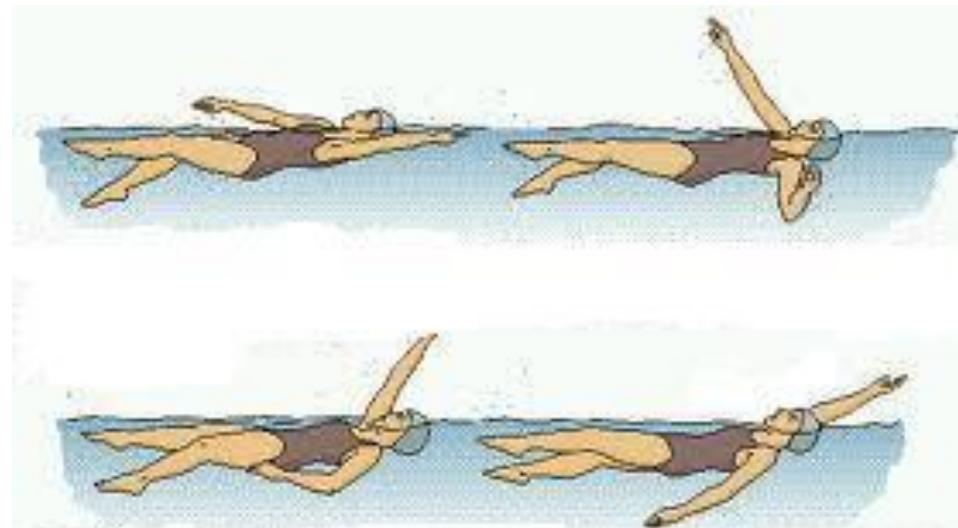

UN BRAZO PEGADO AL CUERPO. MUEVO OTRO BRAZO. VA HACIA EL TECHO

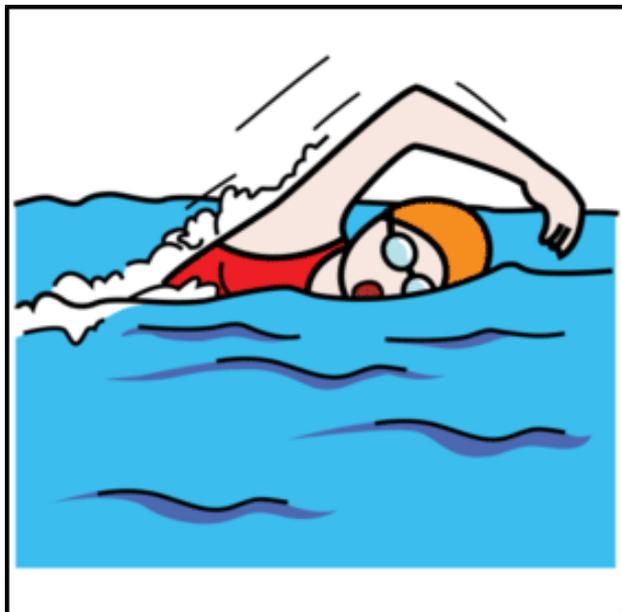

EMPIEZA A BAJAR, TOCA LA CABEZA Y VUELVE A LA PIERNA

DESPUÉS EL OTRO BRAZO

¡ESTOY APRENDIENDO A NADAR MUY BIEN!
