

El pudor y la intimidad

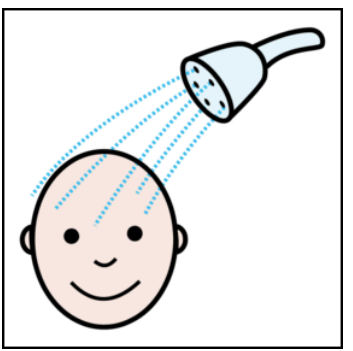

El pudor es un sentimiento que tenemos todas las personas

El pudor es el deseo de tener intimidad

¿Qué es la intimidad?

Es querer estar solo en el baño, ducha o al cambiar de ropa

No quiero mostrar mis partes íntimas porque me da vergüenza

Sentir pudor es una cosa normal y es bueno.
Es mi cuerpo y necesito intimidad.

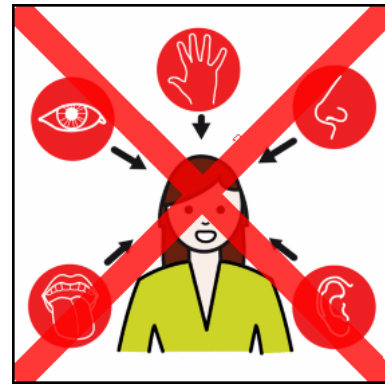

Si otra persona desconocida me ve desnudo, yo siento pudor

Si otra persona me ve el culote yo siento vergüenza y pudor

Si otra persona me ve hacer caca, yo siento pudor

Yo tengo ocho años. ¿Qué hago para no sentir pudor?

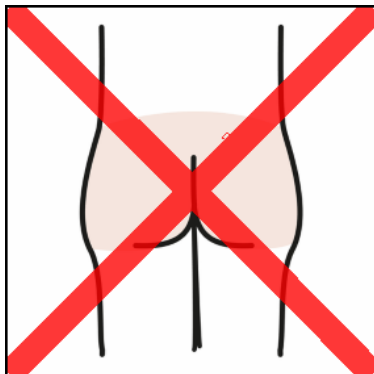

Si hago caca, me baño o me ducho, cierro la puerta del baño

Si me visto o me desvisto, cierro la puerta del cuarto

Yo no enseño el culete ni el pene, porque soy mayor y tengo pudor
